

4-H on Parade 2025 Birdhouse Workshop

Rules & Cuidelines

4-H on Parade Birdhouse Workshop

Open to all registered 4-H on Parade Members and Cleavers.

Date: Friday, May 30

Sessions: 9:00–11:00 AM & 1:00–3:00 PM (Come-and-go, attend one or both)

Cost: \$10 per birdhouse

Participants will build and decorate their birdhouse with guidance available as needed. Cleavers must have a designated helper with them throughout the activity to assist with building and decorating.

4-H members can keep their birdhouse or donate it to the silent auction, with proceeds going toward purchasing fans for the 4-H Center. Participants may also order two—one to keep and one to donate!

Donated birdhouses will be auctioned off in the Silent Auction on Saturday. Proceeds donated to Alberta 4-H Centre to go towards fans in the dorms.

Once registrations are received, we will seek volunteers to help supervise the area.
